

## **ENTERTAINMENT OFFERINGS AT STUDIO CITY**

Studio City offers a wide array of entertainment options for visitors of all ages to enjoy. The Hollywood-inspired, cinematically themed integrated resort delivers the most diversified entertainment offering yet experienced in Macau. Studio City takes thrilling entertainment to a completely new level in Asia and is set to redefine Cotai and Macau with what promised to be a 'next-generation' of 'must see – must experience' leisure and entertainment destination experiences in the region. The world-class, innovative entertainment venues at Studio City include:

### **Golden Reel**

This World's first and Asia's highest figure-8 Ferris wheel is set to become an iconic landmark, not only for Asia, but also for Macau itself. The Golden Reel raises some 130 meters high, between Studio City's stunning, Art Deco-inspired twin hotel towers and offers visitors a thrilling ride experience unique to Studio City.

From the moment of arrival at the ride's level 3 entry lobby, guests are treated to a fantasy journey they will never forget. Like the best-paced movie scripts, the next big "reveal" for guests is the Industrial Revolution themed loading platform, 23 floors above the ground floor. There are 17 "Steampunk"-themed cabins, each comfortably accommodating up to 10 guests on a jaw-dropping "Fortune Rides High" journey around the uniquely-shaped figure-8 track.

The attraction was designed and engineered by a world-class team lead by Liechtenstein-based Intamin Amusement Rides Int. Corp., world-renowned for highly-innovative amusement rides.

### **Batman Dark Flight**

In collaboration with Warner Bros. and DC Entertainment, 'Batman Dark Flight' is the world's first flight simulation ride based on the 'Batman' intellectual property franchise. This immersive 'flying theater' 4D motion ride provides thrill-seekers with a dynamic flying experience based on an action-packed, digitally animated Batman storyline.

The specially designed "Batman Dark Flight" features a virtual fly-through over Gotham City, as guests become part of the story, along with Batman. With an immersive multi-themed

environment, including Wayne Industries, Batman's auxiliary bat-cave and a virtual recreation of Gotham City and featuring some of the most iconic Super-Villains from his Rogue's Gallery.

Guests will enter the theater through Wayne Industries, where visitors are invited for a tour of Wayne Industries and presentation on Wayne Industries newest flying vehicle. Before long, the tour is suddenly interrupted and the real adventure begins...
