

RETAIL OFFERINGS AT THE BOULEVARD AT STUDIO CITY

This is a Fashion Statement

The Boulevard at Studio City brings an unparalleled shopping experience to Asia's entertainment capital, Studio City. Unlike any retail offering to be found in Asia, the unique 35,000-square-meter 'immersive' retail entertainment environment brings shopping to life by 'transporting' visitors to high-energy street-scapes and entertaining them at every turn with featured streets and squares inspired by iconic shopping and entertainment locations, including New York's Times Square and Hollywood's Beverly Hills.

A first-of-its-kind in Macau, The Boulevard at Studio City is the 'go to' destination in Macau, showcasing sophisticated, prestigious fashion brands as befits a trendsetter.

The star-studded mix of fashion-forward labels and internationally-renowned luxury brands include Macau's first Balmain, China's first Belstaff, and Tom Ford's largest store in Asia Pacific, amongst many others. Bespoke and personal services are offered to ensure our shoppers take center stage.

Merchandised, marketed and managed by Taubman Asia, The Boulevard at Studio City brings the world's best retail experiences to life in Macau with over 60 prestigious labels.

Times Square Macau

At the connection between the two theme retail streets lies Times Square Macau, designed to remind visitors of the world famous Times Square in New York. The attraction features an amazing array of futuristic technologies that unify periodically throughout the day to showcase a variety of entertainment content from both real and imaginary musicians and entertainers unlike any others in Macau. Holographic projections also add an "other worldly" attraction to Times Square Macau.
